7:15 PM - Students Line Up for Dismissal

New - To increase safety for our children, we are requesting that parents create a car pickup line similar to school processes. HKids leaders will be stationed outside and at the entrance to assist children to their vehicles. If parking is required, please carefully pass the pickup line on the right side and park toward the rear of the gravel lot. When entering from the highway, follow the paved drive to the right, create a single-file line beginning at the gym doors, up the hill, wrapping around the front entrance. There will be a leader to greet you as you pull up to the double doors and call your child to your vehicle. Out of respect for the leaders' and workers' time, we appreciate your on-time pickup of 7:15 pm.
